EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with Daniel Fitzgerald on July 13, 2004.

3. The application has been amended as follows:

In line 1 of claim 31, the phrase --embodied on a computer readable medium-- has been inserted after the word "program";

In line 1 of claim 32, the phrase --embodied on a computer readable medium-- has been inserted after the word "program".

Allowable Subject Matter

4. Claims 1-44 are pending. Claims 1, 5-6, 8-11, 15, 19, 23-24, 31-32, 36-37 and 39 have been amended. All the pending claims are allowed.

5. The following is an examiner's statement of reasons for allowance:

The closest prior art of May (U. S. Patent 6,317,727) teaches a credit monitoring system forms a complex check to determine if two particular counterparties will accept each other for a particular trade based upon their respective predefined credit preferences.

In regarding to independent claims 1, 9, 15, 23 and 31-32, May taken either individually or in combination with other prior art of record fails to teach or suggest

monitoring the established line of credit based on the credit ratings of the first bank; calculating an eligibility factor for the borrower based on information stored in database, the eligibility factor indicating at least one of a likelihood that the first bank who established the line of credit for the borrower would increase the established line of credit with the borrower and a likelihood that a second bank would establish a new line of credit with the borrower; and posting journal entries including borrowings against the established line of credit, repayments toward the established line of credit, and commitment fees paid for the established line of credit.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

7. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

The article titled "Software Revolutionizes Customer Data at Norwest" (American Bank, page 3, January 25, 1990) discloses software has been developed for tracking of deposits and lines of credit on the database, and monitoring all loan activities.
